Prior to the regular Municipal Authority of the Borough of Elverson's meeting at 6:00pm on Tuesday, July 26, 2011, Elverson Borough Council held a public hearing. The public hearing was conducted by Roy France, Vice President; Borough Council. The purpose of the public hearing was for a proposed grant application through the Chester County Department of Community Development for the proposed outside plant repairs and improvements for the Municipal Authority of the Borough of Elverson (MABE).

Roy France discussed that if this grant is approved, the funds will be used by the MABE for the replacement of a sewer force main from Brick Lane to a location just east of Chestnut Street. It will also enable the MABE to upgrade the pumping station on Brick Lane and rebuild a manhole at the west end of the sewer main.

PUBLIC COMMENTS:

Bob Schultz, 23 Meadowview Drive, Elverson, Pa.; it is Bob's understanding that there have been as many as 5 breeches in the line. Bob feels that the line is insufficient and definitely needs to be upgraded. Bob definitely supports this project.

There were no other comments from the public.

ADJOURNMENT:

Roy France made a motion to adjourn the meeting. *Motion carried*
Meeting adjourned at 6:08pm

Respectfully submitted,

Lorrie Stolz
Secretary/ Treasurer
